CONFERENCE ARRANGEMENTS

Opening Ceremony

The Conference delegates and the Commonwealth Secretariat were much indebted to His Excellency The Vice President of the Republic of Kenya, The Hon. D.T. Arap Moi for his generously agreeing to open the Conference and the Hon. Taita Arap Towett, Minister of Education of the Republic of Kenya, who took the chair at the formal opening ceremony.

Origin of Preparation of the Conference

This was the sixth in the series of Commonwealth Specialist Conferences on educational topics. Previous meetings were devoted to the consideration of Language Teaching (Makerere, 1961), School Science Teaching (Colombo 1963), the Education and Training of Technicians (Huddersfield, 1966), Mathematics in Commonwealth Schools (Port of Spain, 1968) and Education in Rural Areas (Accra, 1970).

The topic for the present Conference, Teacher Education in a Changing Society, was selected by Commonwealth Governments from among a list of eleven possible subjects suggested by the fifth Commonwealth Education Conference held at Canberra in 1971.

Responsibility for the preparation of the Conference was placed in the hands of the Commonwealth Education Liaison Committee and, following previous practice, a small working party was formed. The working party met under the Chairmanship of Mr. D.W. Hood, Education Liaison Officer at the Australian High Commission in London. Members of the working party included representatives of Commonwealth Governments and coopted advisers who were specialists in the field of teacher education. The Kenya Government nominated Mr. M. Kareithi, Principal Education Officer, Teacher Education, as its liaison official for the conference. The Commonwealth Secretariat is much indebted to the working party and Kenya Government officials for their unstinting and efficient preparatory work.

Delegates

The Conference was attended by 89 delegates from 30 Commonwealth countries, including two of the Associated States of the Eastern Caribbean (Dominica and Grenada) and the dependent territories of Hongkong and Papua New Guinea. Observers from international organisations were present at many of the sessions. A full list of delegates, observers and secretariat is set out in Annex 2 of this report.

Keynote Address and Lead Speakers

The Commonwealth Education Liaison Committee invited six distinguished educationists to address delegates in Plenary Session on topics related directly to the main agenda items. Dr. Arthur Porter, Vice-Chancellor Designate of the University of Sierra Leone, accepted to deliver the keynote address, while lead papers were prepared by Professor F.F. Indire of Kenya, Professor J.W. Greig of Canada, Mr. H.L. Elvin of Britain, Dr. J.A. Maraj, Assistant Commonwealth Secretary-General and Dr. Malcolm Adiseshiah of India. Professor Indire, Mr. Elvin and Dr. Maraj were able to speak to their papers in person; the lead

papers prepared by Professor Greig and Dr. Adiseshiah were presented on their behalf by members of their countries' delegations. The full text of these papers is reproduced in Part II of this report.

Documentation

The basic documentation for the Conference consisted of an Agenda, an Annotated Agenda, and a series of Questions on the Annotated Agenda. The first draft of the Annotated Agenda was prepared by Professor J.D. Turner of Britain; The Questions were compiled by Professor Hugh Philp of Australia. Member countries were also invited to submit papers describing innovatory practices in teacher education and a total of 22 such papers were submitted and reproduced by the Secretariat for distribution to delegates. A full list of Conference documents is set out in Annex 3.

Mr. Yuda Komora, Director of Education, Ministry of Education, Kenya, was unanimously elected Chairman of the Conference at the first Plenary Session. Dr. S.J.
