

Notes on the Authors

Paul A. Attard has experience at various levels of the education system in Malta, and is now a Head of School. He originally trained as a specialist in the teaching of English for Special Purposes, and has worked as a broadcaster and journalist. He has also presented lectures in Educational Administration and Management at the University of Malta, and is the executive editor of a monthly magazine on socio-educational matters. He is the co-author, with Charles Farrugia, of a book entitled *The Multi-Functional Administrator* (Commonwealth Secretariat, 1989).

Meita Beiabure Bakeea is Secretary for Transport & Communications in Kiribati. From 1977 to 1989 he worked in the Ministry of Education, first as Education Officer (Statistics), then as Senior Education Officer (Planning), then as Chief Education Officer, and finally as Secretary. He is a graduate of the University of the South Pacific and the University of Birmingham. From the latter he obtained an Advanced Diploma in Educational Administration in 1981, and an M.Ed. in Educational Planning and Policy-Making in 1982.

Milton Bernard, is a senior lecturer in geography at the University of Guyana. Before moving to the university he was a secondary school teacher. He has been Head of Department and Dean of the Faculty of Arts. He is a graduate of the University of Leicester, where he obtained a B.A. (Hons) in Geography and an M.Phil in Planning.

Ralph Boyce is the Chief Education Officer of the Ministry of Education & Culture in Barbados. He has worked in various parts of the ministry since the mid-1970s.

Mark Bray holds the post of Reader in Educational Planning and Administration at the University of Hong Kong. He previously taught at the Universities of London, Papua New Guinea and Edinburgh, and

in secondary schools in Nigeria and Kenya. Dr Bray has also undertaken numerous consultancy assignments for such organisations as the Asian Development Bank, the Commonwealth Secretariat, Unesco, Unicef, and the World Bank. The small states to which this work has taken him include American Samoa, Antigua, Barbados, Bhutan, Botswana, Brunei Darussalam, Dominica, Fiji, Jersey, Macau, Malta, Montserrat, New Caledonia, St. Lucia, Solomon Islands, Tonga, Vanuatu and Western Samoa. Dr Bray has written over a dozen books on aspects of educational planning, administration and financing in different countries.

Reuben Dash has spent most of his working life as a teacher in primary and secondary schools, rising to the position of head of a secondary school in 1990. Since 1986 he also has held the position of Deputy Chief Education Officer (Administration). He holds a B.A. degree in English, a Post-Graduate Diploma in Education, and an M.Ed. degree.

Charles J. Farrugia has been Dean of the Faculty of Education at the University of Malta since the Faculty was established in 1978. He recently moved from Head of the Department of Educational Studies to head the Department of Primary Education. In addition to lecturing in the M.Ed., PGCE and B.Ed. (Hons) programmes offered by the Faculty, he coordinates the Diploma Course in Educational Administration & Management. He studied in Malta, Montreal and London, obtaining a Ph.D. from the University of London. He is co-author, with Paul Attard, of a book entitled *The Multi-Functional Administrator* (Commonwealth Secretariat, 1989).

Howard A. Fergus is Senior Lecturer/Resident Tutor in the UWI University Centre in Montserrat. He is also the Speaker of the Montserrat Legislative Council. He has experience as a primary and secondary school teacher, is a former Chief Education Officer. He holds a B.A. degree from the UCWI (London), an M.Ed. from the University of Manchester, and a Ph.D. from the University of the West Indies. Dr Fergus has published extensively in the areas of education, history and society, and is also a published poet.

Nicholas Frederick is the Permanent Secretary of the Ministry of Education & Culture in St. Lucia. A former teacher at secondary level, teacher-training college and university, he has also served as a Unesco counterpart in curriculum development and teacher training. During the past 16 years he has been engaged in administration of education at various levels: as principal of a secondary school and of a sixth form

college, and as Education & Human Resource Development Officer in the Caribbean. He is the author of several papers on science, teacher education and educational administration. He holds a doctorate from the University of Toronto.

Sulayman Fye lectures at the Gambian Technical Training Institute in Banjul, The Gambia.

Evelyn Hamilton has been head of the Planning Unit in the Ministry of Education in Guyana since 1987. Although originally trained in the field of business administration and economics, she has spent most of her working life within the Ministry of Education. She held the posts of teacher of economics, research officer and economist, before being appointed to her present post.

Mohammed Waheed Hassan is Director of Education Services in the Maldives Ministry of Education. He is also a Member of Parliament. He was the first Maldivian to hold a doctorate, which he obtained from Stanford University in 1987. His dissertation focused on the determinants of knowledge production and use in external financing of education, particularly in Sri Lanka.

Lim Jock Jin is Special Duty Officer in charge of Planning, Research and Statistics at the Department of Planning, Research & Development, Ministry of Education, Brunei Darussalam. He obtained a B.Sc. degree from London's City University, and a PGCE from Chelsea College. He began his career as a teacher of mathematics, and later became a lecturer at Sultan Hassan al Bolkiah Teacher Training College. He has been a principal of Sultan Saiful Rijal Technical College, and Deputy Director of Sultan Hassan al Bolkiah Institute of Education.

Atputhanathan Murugiah was born in Sri Lanka. He obtained a B.Sc. degree from the University of Colombo, a Dip.Ed. from the University of Peradeniya, and an Advanced Dip.Ed. from the University of Bristol. He began his career as a teacher of chemistry and biology. He has also conducted noteworthy research on marine biology, particularly in the fields of bioluminescence, ecology and fishes. He has written four books, of which the most successful is entitled *Man the Special Animal*. On behalf of Unesco he has undertaken projects in India, Bangladesh and Thailand. For the last 10 years he has worked in Seychelles, first as a science teacher and later as a curriculum developer.

Gibou Njie worked for 10 years in the Planning Unit of The Gambia's

Ministry of Education, Youth, Sport & Culture. He is now Project Manager in the ministry's Project Implementation Unit, responsible for the development of the Education Sector Project to expand and improve primary and secondary education.

C.J. Nuttman is Dean of the Faculty of Management & Administrative Studies at the University of Brunei Darussalam. He was one of the small team of academics and administrators who were involved in the initiation of undergraduate courses when the university was opened in 1985. He previously worked for many years in the UK, developing and teaching courses on human ecology.

Una Paul has recently retired from the post of Permanent Secretary of the Ministry of Education, Guyana. She is now based in Barbados at the office of Unesco's Caribbean Network of Educational Innovation for Development (CARNEID).

Merle E. Peters lectures in educational psychology at the Dominica Teachers' Training College. She also supervises the Teaching of Reading Program for the University of the West Indies, holds responsibility for courses in research methods, and is involved in the planning and delivery of a Teacher Training Program for Secondary School Teachers in the Eastern Caribbean. She holds degrees from the University of Miami, and has studied programme evaluation in Chile under the sponsorship of the Organization of American States.

Patrick Pillay is the Principal Secretary of the Seychelles Ministry of Education. He holds a B.Sc. degree from Queens University, a PGCE from Warwick University, and an M.Ed. from Sussex University. He began his career as a teacher of biology and integrated science, and later became a lecturer at the Seychelles teacher training college. He subsequently joined the National Institute of Pedagogy, and for seven years worked on curriculum development. Immediately prior to taking up his present post he was the Director of the Seychelles Polytechnic.

Walter Ramo has had extensive experience in the Solomon Islands education system. Starting as a teacher, he became principal of King George VI Secondary School. He obtained a Master's degree in educational administration before becoming Under Secretary in the Ministry of Education & Training. He is now Permanent Secretary in the Solomon Islands Ministry of Home Affairs.

John Rodhouse is a former Director of Education in Jersey. A graduate of the University of Oxford, he entered teaching after working for some time in industry. His first administrative post was in the Essex Local Education Authority (UK), and he subsequently worked for the borough of Bedford and industrial Thameside. He held the post of Director of Education in Jersey from 1973 to 1989. He now lives in retirement in Norwich, England.

Herbert F. Sabaroche is Dominican, and is currently employed by the OECS Secretariat in St. Lucia as the Associate Manager of a technical and vocational education project. He previously worked for the Ministry of Education in Dominica as the Education Officer (Technical & Vocational Education and Training), as a District Education Officer, as a lecturer at the Clifton Dupigny Community College, and as a teacher and principal in various primary and secondary schools. He is a trained generalist and specialist educator, who attained Journeyman status in Building Trades and who holds a first degree from the University of the West Indies and an M.A. from the University of London.

Jakes Swartland is a national of Botswana. From 1982 to 1988 he was Deputy Permanent Secretary of his country's Ministry of Education. Before taking that post he was Chief Education Officer (Curriculum & Evaluation). He has also been a mathematics teacher and Senior Education Officer responsible for mathematics in secondary schools. He is now the Assistant Director of the Education Programme, Human Resource Development Group, in the Commonwealth Secretariat.

Albert L. Thomas is the Education Officer (Primary) in Montserrat. He trained as a teacher in the Leeward Islands Teacher Training College in Antigua, and holds degrees from the Cave Hill (Barbados) campus of the University of the West Indies and the University of Manchester. He also holds an Associateship in Education from the University of Newcastle upon Tyne. He began his career as a primary school teacher in Montserrat before becoming a primary school headteacher and then a junior secondary school principal. He is also the local representative for the Trinity College of Music, London.
