FURTHER READINGS ON PUBLIC ADMINISTRATION

The references given here should be regarded as supplementing and expanding the comprehensive annotated and unannotated listing given in the **Select Bibliography on The Case Study as a Training Method** published by the Commonwealth Secretariat in 1981.

As with the other sections, the aim has been as much to provide information for persons wishing to assemble cases for training use within the sector dealing with public administration as to provide information about the use of the case method in this sector.
